/usr/local/lib/python3.12/dist-packages/keras/src/layers/layer.py:424:
UserWarning: `build()` was called on layer 'transformer', however the
layer does not have a `build()` method implemented and it looks like
it has unbuilt state. This will cause the layer to be marked as built,
despite not being actually built, which may cause failures down the
line. Make sure to implement a proper `build()` method.
